

## **2. Printing of publications**

It is prohibited to print or reproduce any newspaper, magazine, periodical, book, pamphlet, poster, music or other publication unless the publisher for whom the printing is done has been granted a licence by Military Government.

## **3. Distribution of motion picture film**

It is prohibited to distribute, rent or sell motion picture films, standard or substandard, unless the distributor has registered with Military Government, and has been approved by and has received special instructions on film distribution from a District Information Control Unit.

## **4. Exhibition of motion picture films**

It is prohibited to exhibit a motion picture film, standard or substandard, unless the film has been obtained from a registered and approved distributor, and unless the print has annexed thereto a Jdlm Exhibition Certificate. It is prohibited to exhibit on a motion picture screen any announcement, slide or publicity display of any nature whatsoever, unless it has been submitted to, and approved by a District Information Control Unit.

## **5. Processing and printing motion picture film**

It is prohibited to process any motion film except film furnished by a producer who has been granted a licence by Military Government. It is prohibited to print any motion picture film unless the film has been granted a Film Exhibition Certificate.

## **6. Providing facilities for theatrical, musical and other performances &**

It is prohibited to provide the facilities of theatres, concert halls, opera houses, outdoor stadia and other places of public entertainment for theatrical, musical or other performances to anyone other than a licensed producer, except that facilities for instrumental music may be provided without licensing or registration when such music is incidental to an activity clearly non-musical in character, such as the sale of food or beverages in restaurants, cafes and inns, provided that all such music is in keeping with Military Government Regulations and Instructions.
