

ALLIED CONTROL AUTHORITY  
CONTROL COUNCIL

**Law No. 20**

INCREASE IN TELEPHONE AND TELEGRAPH RATES

The Control Council enacts as follows:

ϕ

ARTICLE I

Rates for all kinds of telephone services are hereby increased fifty (50) per cent above the rates determined in Appendix 3 (Anlage 3) to the Telephone Ordinance (Fernspreichordnung mit Ausführungsbestimmungen), dated 24 November 1939 (Amtsblatt des Reichspostministeriums 1939, Nr. 127, page 859).

ARTICLE II

1. The basic per word rates for telegraph services are hereby increased as follows:

- |                                                                                                |   |               |
|------------------------------------------------------------------------------------------------|---|---------------|
| a) Ordinary Telegrams                                                                          | ϕ | Reichspfennig |
| Local telegrams.....                                                                           |   | From 8 to 15  |
| Inter-urban telegrams . . . . .                                                                |   | From 15 to 20 |
| b) Double rates shall be charged for urgent* telegrams.                                        |   |               |
| c) The minimum tariff for one telegram shall be ten times the amount of the rate for one word. |   |               |

2. The supplementary rates (Nebengebühren) shall be the same as those stated in Appendix A (Anlage A) to the Telegraph Ordinance (Telegraphenordnung) of 30 June 1926 as revised on 22 December 1938 (Amtsblatt des Reichspostministeriums 1938, Nr. 144, page 849).

ARTICLE III

This law will take effect 1 April 1946.

Done at Berlin, the 20th day of March 1946.
