

2. Subject to the provisions of this Law, the Zone Commander may take all steps, including inspection, and issue all regulations, which he may consider necessary to ensure effective control of the research establishment.

ARTICLE V

1. Each authorized research establishment shall submit to the appropriate Zone Commander the following reports:

- a) Technical reports every four months showing details of all its activities, with sufficient data to enable competent persons to verify the correctness of the results reported, together with all publications of the establishment and a complete report listing the title of each problem studied, its scope, possible applied uses, sources of funds, amount of funds expended, and the person in charge, and any other matter required from time to time by the Zone Commander.
- b) Annual reports in as non-technical language as possible covering all work done in the year.
- c) A complete statement of the plant, apparatus and equipment existing in the research establishment, as may be required by the Zone Commander.
- d) A complete statement of accounts upon the demand of the Zone Commander.

2. A research establishment shall file with the Zone Commander a written notification, including a description of the proposed work and its potentialities, before instituting permitted research of the following types:

- a) Fundamental scientific research on matters specified in Schedule "A"; or
- b) Applied scientific research on matters not specified in Schedule "A" or "B".

ARTICLE VI

1. All research and technical personnel employed in a research establishment shall be registered with the appropriate Zone Commander in accordance with regulations issued by him.
