Law No. 32

EMPLOYMENT OF WOMEN ON BUILDING AND
RECONSTRUCTION WORK

In view of the shortage of able-bodied men in certain parts of Germany, the Control Council enacts as follows:

ARTICLE I

The appropriate German authorities may employ, or authorise the employment of female labour on building and reconstruction work, including rubble clearance.

ARTICLE II

The provisions of the Ordinance concerning working hours (Arbeitszeitordnung) of 30th April 1938 (RGBl 1938 I, 447) and all other enactments inconsistent with this Law are repealed or amended in accordance with this Law.

ARTICLE III

This Law shall come into force on the date of publication.
